

Data Dictionary: Restaurant Inspection Violations

Column	Column Name/Field Name	Description
A	Food Establishment Name	Restaurant name
B	Food Establishment Street Address	Restaurant address
C	Food Establishment City	Restaurant city
D	Food Establishment Zip Code	Restaurant zip code
E	Inspection Date	Date of restaurant inspection conducted by the Division of Public Health - Office of Food Protection
F	Inspection Type	Inspection visit type: routine, follow-up, or complaint
G	Violation Code	The violation code that this restaurant was cited for in this inspection. If no violation code is present, there were no violations for this inspection. There may be numerous violations that a restaurant is cited for in a single visit. If this is the case, there will be multiple rows for this restaurant with the same inspection date.
H	Violation Description	Description of the violation which corresponds to the violation code.
I	Geocoded Location	Street address, city, state and zip code for geolocation purposes
